

PROFESSOR Dr. Indraneil Das.

Public talk on frogs at UCSI Campus on 2 April

KUCHING: Learn more about the amazing world of frogs at a public talk by Malaysian Nature Society Kuching Branch at UCSI Campus on 2 April at 7.30pm.

The speaker will be Professor Dr. Indraneil Das.

Dr. Indraneil is a Professor of Herpetology at the Institute of Biodiversity and Environmental Conservation, Universiti Malaysia Sarawak.

His research interest includes ecology, systematics, and conservation biology of Bornean and

south-east Asian amphibians and reptiles.

After Dr. Indraneil's presentation, two of his students, Pui Yong Min and Ong Jia Jet will speak on the Bornean Frog Race 2013. Registration for the race is still open.

Admission to talk is free.
